RE: SERRANO, Daniel
Dkt. No. 06-00598-001

Waiver of Hearing to Modify Conditions

Dear Judge Sheridan,

On February 6, 2007, Daniel Serrano was sentenced by the Honorable Joseph A. Greenaway, Jr. to 15 months incarceration and three years of supervised release for Conspiracy to Distribute Cocaine. On April 18, 2008, Serrano was released from custody and his term of supervision commenced. On June 9, 2009, the Court modified the conditions of supervised release to include drug testing/treatment based on the offender's submission of a positive drug test for marijuana. On July 30, 2010, this case was reassigned to Your Honor.

Serrano recently violated the conditions of supervision by smoking marijuana. *He is due to expire from supervision on April 17, 2011.* In an effort to assist Serrano with his substance use, we respectfully recommend a modification ordering an extension of his supervised release term for six months. On April 5, 2011, the offender voluntarily signed a waiver of hearing agreeing to the extension of supervision.

If the Court agrees with our recommendation, please sign the attached 12B petition. If Your Honor requests an alternative course of action, please advise. We will make ourselves available should the Court wish to discuss this matter.

Respectfully submitted,

WILFREDO TORRES, Chief
U.S. Probation Officer
